More than just a dentist – the *right dentist*

## Increase Revenue WITH A topDENTISTS Regional Issue

With a circulation of over 1 million and reaching nearly 10 million readers, *topDENTISTS* has become the most widely recognized list of peer-reviewed dentists in the U.S.

### What publications are saying...

*"topDENTISTS was a winner for us its first year out in 2010. So we are back again for 2013 and eager to grow it. The Dentists were thrilled and we were thrilled, which says it all. And the topDentists folks are simply a pleasure to work with."*

– Jonathan Moffly, President  
Moffly Media

*"After years of successfully conducting our own poll for our Dentists issue, it was such a relief and a pleasant surprise to work with the folks at topDENTISTS. Not only did they take a substantial task off our hands, they delivered an excellent list, answered every question that came up from our staff and from the dentists and, overall, provided an additional level of authority to the process."*

– Rick Broussard, Editor  
New Hampshire Magazine

*"Our advertisers felt that being in the company of other topDENTISTS was valuable to their practice. They were happy to be part of a professional list generated by topDENTISTS. We believe the list has been a valuable resource for our readers."*

– Sue Giles, Editor-in-Chief  
Tucson Lifestyle Magazine

# About *topDENTISTS*™

*topDENTISTS*, LLC began in 2007, with the goal of identifying the foremost dentists and specialists in the USA. It is the only database of its kind.

*topDENTISTS* management has over 60 years experience compiling peer-review referral guides in the dental, medical, and legal fields. Working from this experience, along with the input of several prominent dentists throughout the United States, *topDENTISTS* created a selection process that earned the respect of the country's leading dental professionals.

*topDENTISTS* lists and excerpts are currently available for publication in all 50 states.
